Subject: ESA FRN routing

Hi Ladies,

We are beginning the routing of the ESA FRN. I just sent the documents to Crystal to initiate the CMS entry for it, and I'm separately attaching the docs here. The FRN reflects edits we received from Sandy as well as a few from Simma and OWOW having worked off the redline version Dave sent last week. Please let me know if there is anything else we need to send you at this point. John signed the transmittal and we prepared a transmittal from Dave to send OP.

Also, I'm checking with David Risley about preparing a desk statement, which I think we will need, and also want to talk about the website and expectations there.

Thanks!
Mindy
